Greetings,

The Eat Healthy Eat Local Foundation is planning the fourth annual Fall FEASTival to be held in beautiful downtown St. Johns on September 16th, 2023 from 11am - 5pm.

We will be hosting over 100 Michigan-Made farms & food producers, with many gourmet food trucks, live entertainment, family fun activities and so much more! Our events attract at least 15,000 to 20,000 visitors throughout the day.

The Fall FEASTival is one of our biggest fundraisers for the EHEL Foundation. All proceeds are donated to help facilitate an organic grocery store, and farm-to-table restaurants in St. Johns. We have many plans for bringing the community together through healthy food and shopping local.

We invite you to partner with local businesses and community organizations in supporting the 2023 Fall FEASTival. We are offering four event Sponsor Packages, all of which include advertising on our digital media and event map. We appreciate your contribution of any amount. The Eat Healthy Eat Local Foundation is a registered non-profit organization (501c3), and your donation is tax deductible.

Other ways you can help us in our mission is to attend our events, follow us on social media, and help spread the word about the FEASTival to your family and friends. Thank you!!
